Dear Mr. Marlin:

Thank you for asking CIA Director William J. Casey for a telephone interview to be used by the University of Michigan's radio station.

Mr. Casey has asked me to extend his regrets. His policy is not to grant radio or TV interviews and during his tenure at the Agency he has not deviated from this practice.

Enclosed for your information is our brochure: Intelligence the Acme of Skill. We wish you the best of success during your internship.

Sincerely,

George V. Lauder

Dear Mr. Casey,

As News Director of the radio station at the University of Michigan, it is my intention to afford my listeners the opportunity to hear political leaders' views on current issues. The program that I have chosen to institute would include a weekly 5-15 minute telephone interview segment on one of our half hour newscasts. I have already begun setting up dates with various politician, including Senators and Representatives. I would very much appreciate the opportunity to conduct this brief interview with Mr. William Casey, DCI, anywhere within the next six months. I sincerely hope this six month time period gives you sufficient leeway.

I am presently interning at Channel 7 in Washington for the summer, but will be returning home to Parsippany, New Jersey on August 10. The equipment for a telephone interview, however, is located in Michigan and if you choose to set up the interview prior to September 5 (when I return to Michigan) I would need to conduct the interview in person. If you need to contact me, it would be best for you to send a reply to:

or you can reach me at the following numbers;

until August 10:		(9:00-5:00)
	:	(5:00-9:00)
	:	(9:00- )

I sincerely hope you can fit me into your schedule. Your help would be greatly appreciated.

Sincerely,

*Myron L. Marlin*
